

VAA CABIN CREW UPDATE

NOVEMBER 2019

Our TWU member-led negotiating team met with Virgin in Brisbane on 30 October 2019 to continue negotiations for our EA.

In addition to those previous claims made by Virgin, the company provided a further log of claims at our meeting including:

- Ability to roster full roster periods as Available (still with 10 DDO's).
- Expand available hours per day from 0400 to 2359 to 0200 to 2359 – extending our days.
- Removal of minimum 8 hour payment for work on our DDO.
- Remove our ability to nominate a later DDO when you nominate to work on our rostered DDO.
- A new clause reducing rostered rest following an airport from 15 hours at home base to 12 hours.

None of the claims presented by Virgin directly deal with disruption. We need to take back control, not give Virgin more control over our work.

OUR TWU TEAM KNOW MANY OF THESE ITEMS ARE OF A CONCERN, TELL US WHAT YOU THINK ABOUT VIRGIN'S PROPOSALS:
